## ***Teen Zone***

This is the view as you enter the zone.

|

6 computer workstations are along the right wall  
with Lord of the Rings posters encouraging them to read.

Seating area with art work and sayings on the walls.

Imagination is mermaids, pirates and even discovering the possibilities of the universe.

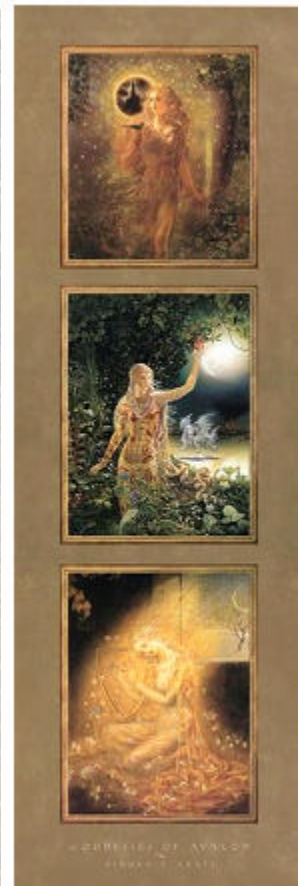

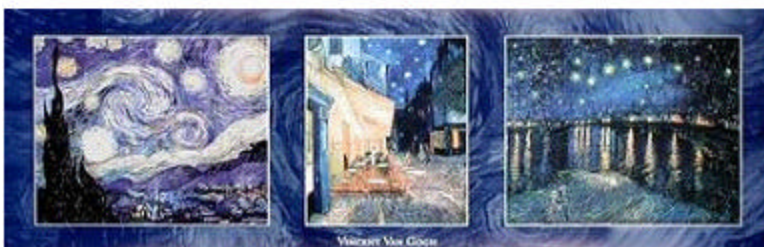

*The 27" television was donated by the Los Lunas Wal-Mart. It will be hooked up to a FM transmitter. The teens will be able to listen to the broadcast via an FM radio headset. This will allow the library to maintain a quiet environment.*

Van Gogh, Robert Frost, the Goddesses of Avalon and Fairies...

## *Medusa & the Pegasus*

When Perseus cut the head off Medusa, Pegasus sprang forth from the blood of the neck of Medusa.

This symbology is what we would like to portray to the teens... everyone, no matter their background, has the potential within them... the power to become whatever they want to be through education and imagination.

*And Books!!!*
